

# SUPERSEAL®

OUR REVOLUTIONARY TUFF® CHAIN

Extending chain life with breakthrough technology, our TUFF® Korean-made chains incorporate a Superseal® that reduces internal wear, giving you:

➤➤ **ZERO SEIZING**

➤➤ **25% LONGER CHAIN LIFE**

➤➤ **50% QUIETER THROUGHOUT CHAIN LIFE**

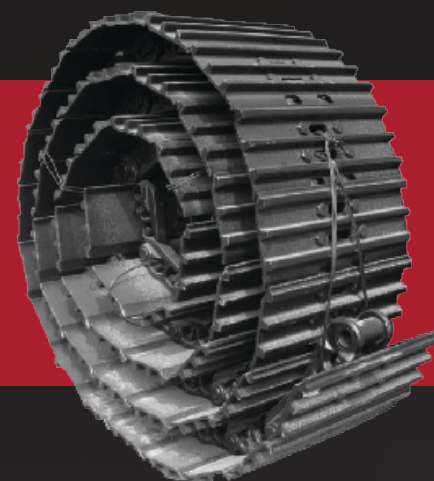

➤➤ **50% LONGER LUBRICATION IN THE SEALS**

It's the chain that's making tracks in the earthmoving and excavator industry. A revolutionary concept, available only from Mainline Track.
